GYMNASIUM

NOTES:

Your WGSS Student Council is run by the Student Body President and Two Vice Presidents, and made up of 22 elected representatives from Grades 8-12, ELL

and Secretary. We strive to make your school a more fun, entertaining, and inviting place by organizing a wide variety of events including dress up days, game shows, contests, tournaments, and more. Each grade has 3-4 grade reps that sit at the table. The council works closely with all leadership groups in the school, providing assistance in a variety of ways. All new clubs and current club events/ activities must be approved by Student Council at their weekly meeting. If you are interested in starting a new club or running an event at the school, download the forms at wgssgmn.com. If you have

ideas for the school, contact your grade rep to have your voice heard from your student council!

INDIAN UMBRELLA

Indian Umbrella is found on the belief that everyone deserves a chance for a better life, regardless of their current situation. Indian Umbrella is run by the WGSS students who sponsor small charities who make a difference. Our goal is to find charities that matter, the ones focused on helping those who are less fortunate without trying to make money in the process. We want the money we send to go to causes that matter, and for that money to make a difference; a tangible and identifiable difference.

WISH YOUTH NETWORK SOCIETY

Wish Youth Network Society (WYNS) is a provincial, student-led, non-profit organization that seeks to provide hope to youths with serious medical conditions as well as their families via community engagement activities. Our mission is to rekindle and sustain hope for those families who are affected, as well as to foster a community of optimism for support. We each out to local hospitals to setup events such as Christmas gifting and bake/drink sales for these children in need. Hoping to be a positive influence. WYNS encourages students to volunteer for our events to gain interaction with these kids in a troubling time of their life. By engaging the community in these activities, we look to empower the community through outreach in the youth and those we support.

WORLD W.Y.D.E.

In a world where a staggering 115 million young people of our age account for the world's illiterate population - meaning two babies born each minute will grow up to be illiterate, World W.Y.D.E. is determined to solve this fundamental issue. As a non-profit organization founded by a high school student, we recognize the urgency in literacy education in developing nations. We collect books and funds from our local communities to ship to schools in need in a developing country. Help to give the children a chance to read, learn, and dream. Join the WGSS World W.Y.D.E. club every Friday at lunch in room 147!
